

# Four Man Scramble Golf Tournament

to benefit Rosie's Love

## Sponsorship Information

Rosie's Love is holding its 11th annual golf tournament to benefit the children and their families at the Center for Childhood Cancer and Blood Disorders at the Children's Hospital at Albany Medical Center. Money raised from last year's tournament greatly enhanced the quality of life for the children by providing funding to ease the overwhelming financial burdens placed on their families. We've also made it possible for terminally ill children to spend quality time with family away from the hospital setting as well as provide toys and other items to make their hospital stays less stressful.
